CHOICE MICHIGAN GROWN AND IMPORTED BULBS

A WORD ABOUT THE BULB SITUATION

Although it appears certain that Tulip Bulbs will be in short supply this year, we wish to state that we were again fortunate this season in securing the entire output of the VAN BRAGT BROS. TULIP FARM of Holland, Michigan, famous for its Tulip Festival.

The quality of these bulbs is A-1 in every respect and equally as good as the imported bulbs. We also expect

to have some British grown bulbs of choice quality.

Inasmuch as our supply is limited it will pay you to send in your order at an early date.
